Ommmmmmmm....

Come and meet the newest creatures to inhabit the Merry Token Gift Shop. They are called Oms and they are guaranteed to make you smile. Each Om is hand-made in Rhode Island by Miquette Bishop and comes boxed with a story card. These precious OMs are whatever you need them to be. They can be tokens of love or friendship, amulets, blessings, or toys. Each Om in its own way symbolizes the connection we have with each other. The Affinity Oms (center of above picture) come in a pair—one for you and one to share with that special person in your life.

The Chara Om pictured on the right is a Mother and a symbol for the first meaningful connection we have in our life.

Every season has its aromas ...

Some aromas come from fragrant candles...

The Aurora Candle Warmer Lamp is a new concept in candle warming. With a patented soft halogen light, the Aurora Candle Warmer Light creates the ambiance of a burning candle while releasing the candles fragrance within minutes. The candle and the Candle Warmer Lamps are sold separately so you can use the warmer with your favorite candle or pair it with one of the Jamie Clair candles for the look above.

The Illumination Fragrance Warmer on the right is designed to warm scented oils
