### Country Fair Program Readied For Printer; Advertising in Book Hits A Record High Mark

Mrs. Charles (Miriam) McCafferty, Program Chairman for the 1964 Country Fair has issued the following report for publication:

1963	1964
88 ads	190 ads
22 1/2 pages	50 pages

Mrs. McCafferty has advised that over \$3000 in surplus has been already realized by the advertising sold in the program book. She has said that all volunteers who aided in this project are to be highly commended for a superb job.

The program promises to be an interesting edition this year. It will contain much editorial comment and facts regarding the hospital and the women's auxiliaries in addition to photographs. Mr. Clarence L. Jordan assisted in the preparation of the book and Mrs. McCafferty and Joan Skidmore of Wawa did the layout.

The book is now in the hands of the printer and is expected to be ready by September.

### Special Country Fair Feature

Mr. Frank Scalzo will appear at 12 noon with his "The Magic of Food" performance. He is presently at the World's Fair doing this act for the H. J. Heinz company. He has appeared on the major steamship lines--the Queen Elizabeth, America.. He studied magic under Slydini and the late Blackstone. He has appeared on all the major TV new-works, including the Ed Sullivan show. He has won the National Award for magicians for the last three years.

This promises to be a popular feature with all of us who like and prepare food--and who doesn't, we ask you?

the date of their own Fair up to September 12th instead of September 19th as originally planned so that the entire band may appear at the RMH Country Fair.

The Band Association sponsors the Fair which provides for the purchase and maintenance of uniforms.

Four busloads of Sun Valley High School Band musicians will board buses after their appearance for our hospital in order to meet the newly-crowned "Miss America" in Philadelphia on September 19th. They are the only band asked to appear and therefore this is a distinctive honor.

We are personally honored to have this band which has won so many honors (they appeared at the inauguration of Gov. Scranton too) appearing in the hospital's behalf.

Mr. DeAugustine aptlyphrased it, we believe,

when he said, "We need the hospital and they need us." Welcome aboard, talented friends!
