

#### PRESIDENT'S MESSAGE

I am delighted with the profitable returns from Derby Day and I want to give my personal thanks to all who in any way contributed to its success. To the committee who worked so well and did the very best job they could. To all who helped by making purchases that day or worked in any area for its success. The new ideas worked out very well despite the short time allotted for them. Cinderella contest drew a standing room only audience. It is hoped another year some of the small problems can be erased from the Day and the committee regrets a couple of worker-scheduling mishaps. These things, or similar ones, are apt to happen at such a busy time and they are never noticed until too late to avoid.

Have you noticed lately how beautiful our Hospital looks with the lush green of the season around it. Perhaps you've noticed too how often the curved section out front for parking has been almost a complete circle, indicating how busy Riddle is these days.

#### CHILD CARE SERVICE

The following received from Child Care Service. After various holidays Edie Shoemaker sees that left over candy, etc. goes to the Children's Cottage.

Dear Friends,

In reviewing our records for 1967, it has come to my attention that your group at the Riddle Hospital was most generous to the Children's Cottage in Lima last year.

It is the thoughtfulness of groups such as yours that makes life for our children at the cottage most pleasant and I want to express the sincere appreciation of the Cottage Committee of the Advisory Board. We are grateful to friends such as you.

Cordially,

Mrs. John M. Faulks, Chairman  
Cottage Committee, Child Care Service  
Citizen's Advisory Board

#### NOTES OF INTEREST

The Springhaven Auxiliary would like to acknowledge with deepest appreciation all the efforts of Mr. Charles Solomon and wife, Peggy — Mrs. Ruth Thompson and all the people of the Springhaven Bridge Group, who have so generously given their time to make our "APRIL SHOWERS" Bridge event such a success.

Concord Auxiliary members were saddened by the death of one of their group, Sue Smith who lived in Brinton Lake Colony. Sue had been a long time member of Concord and always ready to support its activities.

Historian, Marion Weathers, hopes that all the Auxiliaries will offer news and pictures (black and white prints) for the current year book. It is important that these are given so that your Auxiliary receives deserved recognition.

Riddle people were relieved to see the traffic light in operation at the Hospital entrance this past week. We urge everyone to exercise caution especially while the signals are new in use.

The following Auxiliaries turned in checks to the treasury at May 13th meeting: Cheyney — \$400.00; Middletown — \$1000.00; Springhaven — \$1000.00. Congratulations and many thanks to these people for their efforts.
