

PRESIDENT OF ASSOCIATED AUXILIARIES GIVES \$30,000 CHECK TO RMH AT ANNUAL LUNCHEON

Shown presenting a \$30,000 check to Mr. Edward Mallon, Vice Pres., RMH, is Mrs. George Burckhardt, President of the Associated Auxiliaries. The check is the balance of the pledge for the 1976-77 fiscal year.

The Associated Auxiliaries of Riddle Memorial Hospital held their Annual Luncheon-Meeting and Installation of their Officers at the Aronimink Country Club on June 8, 1977.

Mrs. George Burckhardt, President, welcomed guests and introduced Mr. Edward Mallon, Vice Pres. of RMH, and Dr. Robert Brod, President of the Medical Staff of the Hospital. Mr. Mallon thanked the Auxiliaries for their amazing contributions of money, special equipment, many hours of work and their active support of Hospital policies. Hospitals are coming to realize the increasing importance of their auxiliaries according to him. Dr. Brod commented on how acutely aware the Medical Staff is of what has been done over the years by the Auxiliaries and Volunteers and that it is ready to cooperate in any way it can in future projects. This year their support is centered on the Tailgate Sale on September 17. (Cont'd.)

COINS IN THE FOUNTAIN COME TO RIDDLE.....

If you and your children have been dropping coins in the various fountains at the Granite Run Mall, take pride in the fact that they have helped benefit RMH.

Pennies, nickels, dimes and quarters were cleaned and sorted and counted at the Southeast National Bank before being deposited to the Hospital's account. Mr. Laughlin, President of RMH and Mall Mgr. Thomas Becker poured coins into containers.

Semi-annually, the Granite Run Mall Merchants Association has the coins removed from the fountains and donates the money to RMH. It is estimated this six-month accumulation of coins will total approximately \$800. Coins have a way of growing!

2. The Riddlegram will come out once each month, regardless of the amount of news, (even if only one page is necessary).

The Editor is hopeful that all of you will submit your news, photographs - black and white reproduce the best - and any items about your auxiliary which will be of interest to all of us.

Please observe the deadline so that your Editor can get the paper in to Mr. Cox, our printer, on time. Thus, we would not have obsolete items or stale news. Your cooperation is greatly appreciated!

FROM THE SUMMATION OF THE AUXILIARY
QUESTIONNAIRE 1977

I read this wonderful summation with much gusto and I hope you did too. There were five lines in it which were a single tribute to the hard work and loyalty of our auxiliaries:

42 members had 15 or more years of service.

16 members had 10 or more years of service.

29 members had 5 or more years of service.

36 members had under 5 years of service.

16 members had under 2 years of service.

A note added that this does not include all the members we have ever had!

For so many of us, the hospital was not yet built and when ground was broken, we were walking through the skeleton of the hospital -- not really knowing what a beautiful institution it was to be!

For such tremendous loyalty and dedication, we are truly thankful!

LINES TO THE LADIES AND MEN

Summer is here and Fair plans are proceeding on schedule as they do every year... We learned from Ann McElroy that the theme of her Country Fair Program this year is "Fall Harvest"...twenty years of reaping a bountiful harvest for Riddle Memorial Hospital.....Speaking of MRS. MCELROY, did you know that she was the winner of the Springhaven Country Club Cup in the Bowling League which honored the memory of MARIAN MARSHALL...she had the highest number of pins for three games...Congratulations, Ann!!!

Congratulations to Dr. and Mrs. Ernest A. Tremblay on the birth of their son..... PRESIDENT DONALD L. LAUGHLIN asked us to write letters to our Congressmen and Senators opposing President Carter's Hospital Cost Containment Bill (H.R. 6575 and S. 1391)... Have you written yours yet??? Info sent to auxiliaries was thorough...even to a sample letter...Get behind this effort now!!

A lovely writeup on HELENA (LEE) CLARK in a recent Bulletin...Helena was pictured in the cockpit of the planeher husband, Lew, had planned to build..Lee was our Horse Show Chairman...

The Springhaven Auxiliary had a lovely swimming party at DOTTIE FEY'S home..... Cornie Burckhardt would like us all of get some "burp cloths" to sew..they come in packages of 25...see Cornie or Jackie Dowd.

Best get well wishes to DONNA CAMPBELL who was in Haverford General Hospital recently and also IRENE GREENE'S father who is in Riddle.....

It pays to advertise! Signs will be put in elevators advertising the Snack Bar, Thrift Shop, and Merry Token.....

THE NEW LOOK ALL OVER? The Snack Bar will be re-decorated and so will the Thrift Shop (it will be painted, carpeting repaired, and cleaned)...

One day, while visiting the hospital, I stopped for a chat with MAME STONE at the Receptionist Desk...she was elated with a corsage sent by Alfred of the Sheraton and labelled "For my Favorite Nurse"...(See the article on Mame on Page 4).... ADH

HAVE YOUR HEAD ABOUT MAME?????

Mame Stone is the perennial volunteer. Mame started in September, 1975, after being widowed. She was very lonesome and she soon volunteered enough to receive five stars by 1977. She was awarded 3 strips which represented 300 hours of volunteering; she also received her 500 hour pin and her certificate for 1000 hours, all completed in one year! It was the first time in history that any one woman in Riddle Memorial Hospital received all these awards in one year.

You can see Mame everywhere! She volunteers five days a week at the Riddle Thrift Shop and three nights at the Reception Desk at the hospital. Not only does Mame do this, but she gladly gives of her time on holidays (Easter, Christmas, etc.) She can always be seen at Riddle Thrift Shop Fashion Show as one of her other loves is her great, great nie Alison English.

"You are wonderful", we say to Mame, "to give so much of your time." And Mame replies honestly, "You ought to know just what this hospital has done for me!"
