MEMBERS OF THE BOARD

PRESIDENT
ASSOCIATED AUXILIARIES 1978-1979
NATALIE JORDAN

Mrs. Henry Jordan, (Natalie), was installed as President of the Associated Auxiliaries at the Annual Luncheon on June 13th. Nat, as she is known to her many friends and co-workers, brings to the office of President a wealth of experience and knowledge in hospital Volunteer work. She has been a member of the Middletown Auxiliary for 16 years, and served as Vice-President and President of the group. Nat has worked as Grounds Chairman, Arts and Crafts Chairman, and in many other activities at the Country Fair. She has been a Volunteer in the Hospital and also was a member of the Man O' War Ball Committee.

Nat and her husband, who make their home in North East, Maryland, are the parents of five children, the youngest of which is still at home. Nat is active in Church work, and is a talented painter, a seamstress and a fabulous gourmet cook.

We extend our best wishes to Natalie and her Board for a successful and happy year.

BOARD OF DIRECTORS ANNUAL COCKTAIL RECEPTION SET FOR OCTOBER 29th

The Board of Directors of Riddle Memorial Hospital will host their Annual Cocktail Reception on Sunday, October 29th, from 4 PM to 7 PM, at Aronomink Golf Club, Newtown Square.

As in previous years, there will be an "open bar", hot and cold Hors d'oeuvres and dancing.

Tickets are \$30.00 per couple, and are available through the Administration Office, the Nursing Office, or the Public Relations Office.

Mr. Grahame Wood is Chairman of the Committee. Mr. Wood has been an active supporter of RMH for many years.

For those Auxilians who were unable to attend the Annual Luncheon, we are happy to print the remarks made by our out-going President, Cornelia Burckhardt, as she prepared to turn the gavel over to the new President:

"The past two years have been very productive ones, in spite of the decrease in membership we maintained our quality of work and achieved remarkable success in all our endeavors"

I would like to recap some of the highlights of the past two years:

1. The Thrift Shop added additional parking facilities to better serve their customers. The Volunteers successfully operated the Shop without a paid Manager for two months until one was hired in May.
2. The Snack Bar took on a new look with new wall covering and chairs. The new Manager made changes that were advantageous to the operation and attitude of the Shop
3. The Gift Shop also took on a new look. The long awaited window was installed, and fresh flowers were added to the stock.
4. The Lobby was refurbished, wall covering new chairs and carpet were added.
5. The 1976 Fair was an overwhelming success. Because of bad weather, the 1977 Fair did not have a chance to succeed, however, the chances and the Program proved to be our rain insurance.
6. We had two beautiful Man O'War Balls that will take their place in our history of success.
7. \$62,507.07 in medical equipment was given to the Hospital. \$32,291.62 was spent on renovations, additions and furnishings. \$120,000.00 in pledges.
8. New Policies and Procedures were adopted, slates and budgets accepted, Bylaws amended, history and membership preserved, publicity broadened, public relations extend-

ed, job descriptions compiled.

"All of these achievements would not have been possible without the fine leadership and cooperation of all the chairmen, and the support of all the Auxilians. You have served the Associated Auxiliaries and Riddle Memorial Hospital with dedication and pride.

To all of you, my heartfelt thanks for the support and cooperation you have given me. I have had two years of an experience I shall long remember, and an honor I shall cherish"

RIDDLE THRIFT SHOP

The Thrift Shop will be opening up for consigning August 29th, 1978. We will be making a few changes that we think will be good for you as well as the Shop. We hope to cut the time you have to wait by having inspectors and more consignors.

We will be adhering very strictly to our rules of all clothing to be FRESHLY LAUNDERED, PRESSED, IN STYLE, IN SEASON, AND ON HANGERS. Considerable time is lost while we wait for clothes to be hung up. We will refuse to consign anything that does not conform to these rules. This will also apply to all merchandise that is sold downstairs. Things must be cleaned and polished. Lamps must have a bulb, and anything that requires batteries, must have batteries.

The Shop will be open for business on Sept. 5th, -9:30 AM. A welcome addition is Helen Corace, Manager. The Chairmen are Marge Zultewicz and Helen Laimbeer.

AUXILIARY LUNCHEON AT SPRINGHAVEN

VOLUNTEERS UNDERTAKE NEW ROLE WITH SURGERY PATIENTS

On May 30 an Operating Room Liason Program was initiated at Riddle Memorial Hospital.

Trained by Charles M. Kipp, M.D., Caryl Price, R.N., and Marjorie Scull, R.N. a carefully selected complement of volunteers keeps in touch with surgical patients' families during their vigil here at the Hospital.

When the patient is taken from the operating room to the recovery room and, again, when the patient is returned to his own room, the family is informed of the patient's progress.

The volunteers also speak with the patient prior to surgery, offering reassurance to both patient and family.

Serving in this capacity are Cornelia Burckhardt, Ruth Ewald, Sally Geary, Dorothy Rolison, Florence Shields, and Jane Stauffer.
