### STELLA PROCTOR

The ASSOCIATED AUXILIARIES has lost a good friend and devoted member. Stella Proctor died suddenly at RMH on Sunday, March 25th. She was a Charter Member of the Lima Auxiliary, and a Volunteer in the Major Treat Shop.

Stella lived an active, interesting life. She taught school in Philadelphia for many years, retiring in 1963. She had traveled extensively all over the world, and was planning a cruise through the Panama Canal at the time of her death.

She had been active in the Eastern Star and the EL-LI-CO Professional Women's Organization. Stella was a member of Penn Oaks Country Club, where you could find her indulging in her favorite sport - golf.

Stella was a native of Cheyney and had lived there most of her life. She will be missed at RMH by her many friends. We all extend our deepest sympathy to her family.

### PRESIDENT'S MESSAGE

April is here with it's daffodils, birds, and rain! It always makes me so happy to shed my coat. Even you snow bunnies must admit that there is a very special joy to SPRING!

This month also means that we will present our new slate of officers to our Auxiliaries, to be voted on in May. Our new President will be appointing new Chairmen to various responsibilities. I do hope that if you are asked to be active on next year's Board, you will accept the honor and step in firmly behind our new President.

The MAN O' WAR BALL is one of our two fund raising events of the year. It is a gala affair, and a truly delightful evening. I do hope to see you all in the Gold Ballroom on April 21st. I'll be the lady in the "wooden shoes"!

TAUREANS are usually pleasure-loving and are not very hard-working if they can help it. They are very fond of money. They dislike change and are not very adaptable. Although they may have lots of acquaintances, they only have a small circle of real friends and keep very close family ties.
