

CORNELIA M. BURCKHARDT

Cornelia M. Burckhardt has been appointed to the Board of Directors of Riddle Memorial Hospital, as of September, 1980.

Mrs. Burckhardt (Cornie) is no stranger to Riddle Memorial Hospital. She has been active for many years with the Associated Auxiliaries, and was instrumental in founding the Concord Auxiliary.

In 1966, Cornie served as Chairman of the Annual Country Fair and subsequently held the office of President of the Associated Auxiliaries for two successive terms.

Born in Wallingford, Cornie was graduated from Media High School and was employed for a number of years as a medical secretary. She and her husband, George, now reside in Swarthmore and have two children and one grandchild.

Cornie is also Secretary to the Board of Directors, Chairman of Personal Relations and is on the Nominating Committee.

We wish to extend our sincerest congratulations to Mrs. Burckhardt. A bouquet of good wishes.

**HAPPY  
NEW YEAR**

FROM THE GENERAL BOARD

Our Gift Shop and Thrift Shop had a fabulous year, but because they are so busy, volunteers are desperately needed to work in these Shops. Would any Auxiliary members like to become volunteers TO HELP OUT IN OUR SHOPS? Anyone interested can talk to her Auxiliary President or go to the Volunteer Office for information.

Now, as you know, the new West Wing of the Hospital will soon be under construction. In order to set the pace for fund-raising for this project, the Associated Auxiliaries have voted to pledge \$500,000.00 over the next 5 fiscal years. For this pledge, we will be credited with an entire floor in the West Wing.....a super highly visible contribution! Because of limited space here, please talk to your Auxiliary President for all the financial details. This was voted unanimously at the December General Board meeting, and because of the balance on hand at the end of the fiscal year, there will not be a financial burden in meeting this pledge. BUT - we must have everyone's continued active support in the coming years to maintain our current level of income to meet this commitment.

The Lobby of the Hospital was decorated for Christmas by the Auxiliaries. We sincerely hope everyone enjoyed it.

ANN McELROY  
PRESIDENT

ODE TO THE NURSES OF "RIDDLE"

It's been one of those days, God  
It all started at seven this morning  
When I put on my new white nylons.  
As I made the rounds, it seemed as if  
I counted a million pulse beats,  
And I gave pills by the carloads  
I fed your sick with I.V.'s  
and diets.....  
Till I felt I needed the hypos.  
This, God, filled my day,  
Along with buzzers, charts, and  
Doctors' orders. But still,  
God, I checked all labels three times, and  
Was careful  
To give the right dosage  
To the right patient.  
Throughout the day, God, I wore my happiest  
smile  
Even for those who cursed  
Throughout the day, even though I complained,  
I Thank you, God, for letting me  
Do the work of a nurse.

The ASSOCIATED AUXILIARIES OF RIDDLE MEMORIAL HOSPITAL honored our nurses on December 4th. Each nurse was presented with a Christmas corsage and treated to homemade goodies and coffee. Thank you ROSEMARY PALENA and your able committee. Rosemary did a beautiful job "as usual", making the corsages and planning a delightful time for all!
