

PRESIDENT ANN McELROY, 1981-1982

The Annual Meeting and Luncheon of the Associated Auxiliaries was held on June 4th, 1981 at Springhaven Country Club. The Invocation was given by the Reverend Robert Sliben from Archmere Academy. The meeting was called to order by our President, Ann McElroy. Ann introduced guests, new officers and past Presidents.

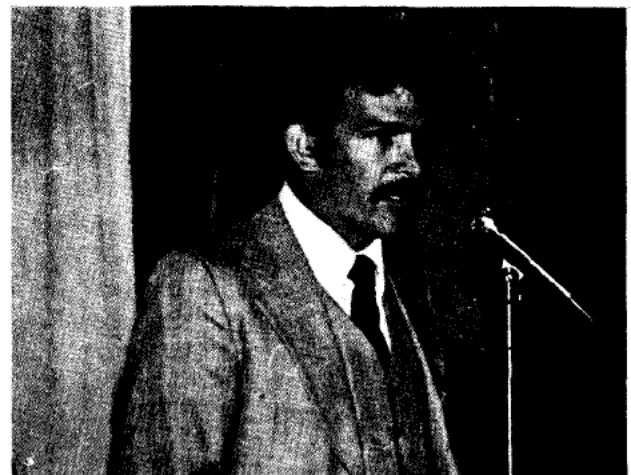

Ann introduced Mr. Laughlin, who said this was his 18th Annual Luncheon with us. He spoke on behalf of the Directors and employees of the Hospital and thanked us for past, and hopefully, future commitments. He informed us that the plans are well in hand for the New Wing. He was proud to announce that the new Special Care Unit will be dedicated to the Associated Auxiliaries. He then introduced Dr. Richard McCurdy, Associate Director of the Medical Special Care Unit. Dr. McCurdy thanked us for the great effort we've given to up-grade the Hospital equipment. He explained the Special Care Unit as a place where special procedures can be done with expert nursing care. He explained that monitoring is very important and the new Unit will have this feature for fourteen beds with a step-down unit. He feels we should all be proud of our contributions.

Ann presented Don Laughlin with a check for \$30,000.00, the balance of our 1981 Pledge.

Ann expressed her appreciation for the cooperation and support she received this past term, and hopes to have the same next year. She paid tribute to Riddlegram Editor, Ginger Lobb, - thanked Elma Albright for the successful Country Fair, - and the Auxilians for all their contributions. She sincerely thanked Marge Zultewicz and Emily Mallen for their efforts at the Thrift Shop, and Cornie Burckhardt for assuming Chairmanship of the Merry Token Shop.

#### ACCOMPLISHMENTS OF THE PAST NINE MONTHS

DECEMBER and Nurses' Day. Corsages for the entire nursing staff were made by Rosemary Palena and friends. Food provided by the Auxiliaries, made the day for the nurses.

FEBRUARY - Our Pre-Ball Cocktail Party at the home of Rosemary Palena was delightful, and provided a chance for many husbands to enjoy each other's company without having to be on the business end of a hammer or doing some other job for RMH which we ask of them frequently.

MARCH - Doctor's Day with fresh carnations, coffee and Danish. Rosemary again was on hand to set up for this. Rosemary, I nominate you for "Hostess Of The Year"!

APRIL - Our MAN O' WAR BALL. This was no doubt one of the most gracious evenings under the Chairmanship of a very gracious lady, Ann Van Norden. Ann and her Committee found the magic formula and put some of that formula in the air that night. The evening went by all too quickly.

MAY - The Thrift Shop Fashion Show, and once again Mendenhall was filled to capacity. When we tell you, you are going to have a good time, believe it - this was a happy afternoon.

Our Thrift Shop continued as busy as ever under the direction of Marge Zultewicz and Emily Mallen. These two ladies have asked

not to continue as Chairmen. The job is a demanding one, and their time is needed for other things. A sincere "thank you" for the hundreds of days given. Even with extensive renovation last summer, the Shop turned in \$65,000.00.

MERRY TOKEN GIFT SHOP - Chairmanship was assumed by Cornie Burckhardt. New and different merchandise has been added. We are indeed fortunate to be able to replace very competent Managers in both Shops with the same quality of people.

SEPTEMBER - Beautiful Fair Days and a Fabulous Country Fair. Elma Albright as Chairman produced a smoothly run Fair that gave us a profit of \$35,695.00. Thank you Elma, and all those who worked with her. Here too, we must recognize our Community and Hospital support on these days. Eight Auxiliaries alone could not give as a Country Fair of such proportions.

OCTOBER - A Luncheon-Meeting at the home of President, Ann McElroy which also gave us all food for thought. There was much input of ideas, - some gripes - and some solutions.

NOVEMBER - We pledged a half million dollars for the New Hospital Wing! For this, the entire Intensive Care/Cardiac Care floor will have a plaque indicating it was donated by us.

EDITOR'S NOTE: President, Ann McElroy completed her term of office on June 4th, 1981. CONGRATULATIONS are indeed appropriate to Ann for a most successful year! We look forward to her continuance as President Of The Associated Auxiliaries for her second term.

Now a "Thank You" to all the Auxiliaries for all their many fund-raising events this year. We hope your enthusiasm will continue. It was a gratifying year for all.

## PRESIDENT'S MESSAGE

Now, with the new fiscal year ahead of us, is the time to think about our Fair..... not at the end of August or the beginning of September, but NOW!

We have a very enthusiastic Fair Chairman Sallie McPhillimy, but she needs your enthusiasm radiating back to her to keep her going. Nothing is more discouraging to people who are willing to hold up a project than lack of response and interest from the rest of us.

So please, let's all get behind Sallie, get organized early in the game and aim for an easy wrap-up time when the fair gets here.
