This year, for our 25th Celebration, the Associated Auxiliaries have planned the following:

REMEMBER: YOU ARE HELPING RIDDLE MEMORIAL HOSPITAL TO SERVE THE HEALTH CARE NEEDS OF THIS COMMUNITY. OUR SLOGAN "EVERY RIDDLE BIT HELPS" REALLY APPLIES!

The body of every organization is structured from four kinds of bones. There are the wishbones, who spend all their time wishing someone would do the work. Then there are the jawbones, who do all the talking, but little else. The knucklebones knock everything anybody else tries to do. Fortunately, in every organization there are also the backbones, who get under the load and do most of the work.

PRESIDENT'S MESSAGE

Welcome to our Silver Jubilee!

It's difficult to believe that we are embarking on our "25th ANNUAL COUNTRY FAIR". We, as Auxilians, have so much to be proud of. It all has come about due to the cooperation, dedication and hard work that all of you have contributed through the years. Many of you have been with us through thick and thin - we love you for it. We want to see all of you on the Fair Grounds so we can personally shake your hand and thank you for a job well done.

Let us never forget that Sam Riddle left us a legacy - we have made his dream into Reality

My heartfelt thanks to all of you.
