NINA CRUICE

THE FAIREST OF THE FAIR - FAIR SHINES FOR NINA ON OUR SILVER ANNIVERSARY.....

The 25th Annual Country Fair is now safely tucked away in the Quonset Hut. Before we allow it to become a "memory", we would like to thank all of the Auxiliaries, Hospital employees and friends who made it a reality.

Those who have worked on the Fair since Day One, know that it takes the combined efforts of every member of the team in order to make it a success. We were fortunate this year that everyone gave 110% - the hard work made it a success. That extra effort made it a pleasure. THANK YOU ALL!

NINA CRUICE, CHAIRMAN

baby boom.

RIDDLE MEMORIAL HOSPITAL is pleased to announce the opening of the recently completed "BIRTHING ROOM". The room is designed to combine a home-like atmosphere and the safety of on-the-spot Medical Technology. The donation of a "Birthing Bed" was made by the ASSOCIATED AUXILIARIES OF RMH, and we are truly proud of sharing a part of this new and unique method of welcoming the new-borns into the world.

We hope the room will bring joy and warm comfort to all those who choose to use it!

THRIFT SHOP

THE RIDDLE THRIFT SHOP ON SUNDAY, OCTOBER 31 had their Open House. A tour was provided by Alice Wilkinson, Helen Corace, Nina Cruice, June Watkins, Ginny Miller, and Mame Stone. Everyone worked so hard in the new addition of the Shop.

Extraordinaire seems inadequate to describe our Thrift Shop. A delectable party - punch hors d'oeuvres. Dietary Director, Rose Hopkins provided delicious fancy party sandwiches.

Beautiful people in a beautiful place. Good friends, good food, good cheer.

STRETCHING DOLLARS is fun. Once you see the exceptional values, you will find your budget **STRETCHING** a much longer way. Clothing, furniture, household items and toys. You name it - they have it all! Everything is carefully graded and priced fairly. You will find exciting bargains.

WE NEED THE HELP OF MORE VOLUNTEERS! JUST A FEW HOURS OF YOUR TIME WOULD BE APPRECIATED. (Bea Oas, Associate Member of Lima Auxiliary has already signed up!)

SPECIAL THANKS to Public Relations Chairman SALLIE McPHILLIMY for a well organized afternoon at the Thrift Shop Reception. It takes many hours of careful planning, and it was appreciated and enjoyed by all who attended. Over 150 people stopped in and it was most gratifying.

Cornie Burckhardt did it again by making a beautiful centerpiece of mums (can't spell chrysanthumn?)

Faithful Riddle Thrift Shop Volunteers, Margaret Cleeland, Jan Parks were missed.

PRESIDENT'S MESSAGE

With our 25th Annual Country Fair behind us, and the wonderful memory of good weather, enthusiastic crowds, and loyal workers and supporters, we look ahead with all positive attitudes. How can we miss with such dedicated workers!

The Thrift Shop addition is beautiful! All those who worked on the "Reception" have another success to add to their long list. "THANK YOU" never seems to be enough to say to the Thrift Shop workers. You are all most appreciated.

We now look forward to Christmas and all of the activities planned both in the Hospital Lobby and in individual Auxiliaries. I know they will get your support again this year, as in the past.

My best wishes to all of you for a healthy and happy Thanksgiving. When I look back to the History of the ASSOCIATED AUXILIARIES we indeed have much to be grateful for.
