THE YEAR OF 1985

TIME is not measured by the passing of years, but by what one does, what one feels, and what one achieves.

A very special "thank you" to all of the Associated Auxiliaries!

"WONDERFULNESS"

You are hereby recognized as women of courage and compassion

Women of strength, who have dignity and the beauty of a generous spirit.

Women of creativity and insight who are visionary and never turn away from a challenge.

Women who risk the long journey with gentle wisdom.

Your achievements are respected.

You are significant and valuable.

You inspire and bring gladness.

So it is on to 1985 with just 15 years to the year 2000! Let us all march on into the future!

(Continued from First Page)

Edward Jaeger. Nether Providence has 37 Active members and 6 Associate members. The 2 new members are Mrs. Terry Di Ubaldi, and Mrs. Rachael Sauls. A Bake Sale was held on April 6th, 1984 in the Hospital Lobby. The profit was \$814.40. Selling of long stemmed roses at \$10.00 per dozen, \$435.00 profit was included in the \$814.40. The Apple Festival on October 19th, 1984 netted \$900.31. Every month articles are donated to the Thrift Shop, and also results into a nice profit.

ROSE TREE AUXILIARY - President, Mrs. Octavio M. Salati - Vice President, Mrs. A. Komisar. June Swim Party at Mary Mallon's was great fun as always. Trip to Inner Harbour was enjoyable as well as profitable, under Marion Simcox's guidance. September Country Fair Beehive Booth was best ever, thanks to a good selection of items to "chance Off", especially the Cabbage Patch Doll. The members served in many capacities to help make the Fair a success. December 13th was the Christmas Luncheon at the Country House, with an exchange of gifts. Looking to the future, a bus trip to Atlantic City Casino on the 25th of February. St Patrick's Day Bake Sale on Friday, March 15th in Lobby. Bridge-Luncheon on March 20th, with informal modelling by Lewis Dress Shoppe. A large percentage of our members support the Man O' War Ball as workers or as participants, bringing guests. A new member was welcomed this year, Carol Komisar, who immediately became involved in Auxiliary work, and became Vice President at the first meeting she attended!

SPRINGHAVEN AUXILIARY - President, Mrs. Charles Bergeman - Vice President, Mrs. Richard Strode and Mrs. Randolph Lee. 1984 was a busy year for the Springhaven Auxiliary. We said goodbye to several members, but welcomed the following new members; Mrs. John Berckman, Mrs. Robert Corcoran, Mrs. John Nicholar, Mrs. Margaret Pinkerton and Mrs. Alfred Strawley. We are beginning 1985 with 43 members. We tried to expand our activities with new endeavors which were successful. Twice during 1984 we headed for the bright lights of Atlantic City. Each trip we felt confident that this time we could come home millionaires. Needless to say, our dreams were dashed, but the true winner was the Auxiliary. Instead of standing over hot stoves, we held a "no bake" sale. Our attics and basements were found to contain a wide variety of items that would be a "flea market shopper's dream". So, in May, we held a Yard Sale. The 2nd Fall Fashion Show Luncheon held at the Springhaven Country Club was attended by a near capacity crowd. The year's activities con-

cluded with a delightful Christmas Luncheon. We anticipate an active 1985. Another try for the magic jackpot at the Casino is planned for May. The Yard Sale is scheduled for June 1st and possibly in the Fall, another Fashion Show-Luncheon. Several activities are being discussed, and only time will tell if they become a reality.

RIDDLE RAP

A special "thank you" to Emma Schlack for taking the time to make a beautiful afghan, for the first baby born in 1985 in Riddle Memorial Hospital. Emma does this nice deed every year. "YOU CANNOT DO A KINDNESS TOO SOON, BECAUSE YOU NEVER KNOW HOW SOON IT WILL BE TOO LATE"! Elsie Gibson is doing a super job as Membership Chairman. Elsie had a meeting on December 10th, and many good suggestions were brought forth for discussion. Elsie suggests we all put the "ME in MEMBERSHIP". The new Membership List schedule will be October 1st rather than July 1st. The July date does not give time for accurate lists. The Volunteer Office will give Elsie a list of new Volunteers to see if they would be interested in joining an Auxiliary. It is important that Auxiliary Membership Chairmen give prompt attention to all changes as soon as they are known. New members should always be invited to attend a General Board Meeting. It is planned to reprint the brochures. Elsie will work with Dorothy Rolison and Lori Shockley on this project. The brochures

EARTH'S ANGELS

THERE'S A RARE BREED OF PEOPLE WHO GO OUT OF THEIR WAY TO MAKE THE WORLD A BETTER PLACE. SOME CALL THEM "GOOD SAMARITANS", OTHERS CALL THEM "DO-GOODERS". WE PREFER TO CALL THEM EARTH ANGELS!

Does your heart skip a beat when a certain Doctor walks down the street?
 Is there someone who cooks our food who puts your appetite in the mood?
 Did you see today an inhalation therapist who took your breath away?
 Is there a special Volunteer who fills your heart full of cheer?
 What about the people who put you to sleep.
 Does one of them make your pulse leap?
 How about a patient who is "fine",
 To whom you would like to send a Valentine?
 Could it be that one of our beauties in white raises your temp, just a mite?
 Thinking about that handsome boss
 Who leaves your mind at a loss?
 Add your Valentine to our pile -
 Make your secret sweetheart wear a smile.

PRESIDENT'S MESSAGE

Is it true that the busy holidays were less than a month ago? By now, we've already broken a few of those resolutions, and probably forgotten half of the others. The one resolution we will keep, is our continued efforts to work together for Riddle Memorial Hospital. Thanks to each of you for your co-operation in 1984. May the new year bring all of us the rewards of health, and happiness.

HAPPY VALENTINES DAY
